## To Know

*Due to fire safety standards, smoke detectors have been installed in each room. Please do not smoke or the alarm system will be triggered.*

*The room must be vacated by 11am at the latest. If you occupy the room for a longer period of time, you will be charged an extra 10% per hour. After 4pm you will be charged an additional night.*

# Our Commitments

We started by reducing our paper consumption by replacing our Room Directory with this much **more responsible and easy-to-use alternative.**

With our network **The Originals Human Hotels Resorts**, we are committed to recycling our soaps by making a financial donation to the **UNISOAP association**, which takes care of collecting used soaps in order to recycle them via an ESAT, which accompanies young workers with disabilities.

They are then distributed free of charge to people in need via charities **to fight against poverty.**

Other resolutions have been put in place, we have replaced our light bulbs with **low-energy LEDs**, but we have also installed **water saving devices** on our taps.

As part of the recycling process, we have set up waste sorting. You can help us in this process **for the planet:**

*Respect for the environment is at the heart of our concerns and we wish, through our commitments, to participate actively in its protection.*

### **Ecological actions to adopt at the hotel:**

- Turn off lights and TV standby when not in use.
- Unplug cell phone and computer chargers after use.
- Take showers rather than baths and turn off the water tap when brushing your teeth, reuse your towel.
- Set the radiators to the desired temperature to avoid overheating and turn them off when you open the windows.
